ABOUT THE HOPE CENTRE

The Hope Centre (THC) aims to restore hope in rural Cambodia by helping break the poverty cycle through education. The Centre is a multi-purpose facility which runs regular vocational training classes and workshops. Filled with a fully equipped kitchen and dining room, air-conditioned boardroom, two large classes, a lounge and auditorium, this facility is ready to partner with you as you seek to restore hope in Cambodia as well. The Centre is also equipped with TV's, Chromecast, projectors and a sound system for you to use as you come and run your workshops. Catering and conference retreat packages are available on request.
